## Paper Submission

Potential authors are invited to submit an abstract to the conference secretariat before the deadline. If the abstract is accepted, authors will be invited to submit the full paper. After the reviewing process, authors will be informed about the acceptance of their papers. Please submit an abstract of maximum 250 words and include paper's title, author's name, postal address, telephone number, fax number and email address. There is no page limit for full length paper.

Abstracts and full length papers are submitted electronically before the relevant deadline (see [Important Dates](#)) to conference secretariat at: [ffw@ugent.be](mailto:ffw@ugent.be).

For poster presenters, a poster size of A1 (59 cm x 84 cm) is recommended; [poster\\_example](#).

The accepted papers will be published in IOP Publishing's proceedings, *Journal of Physics: Conference Series* (JPCS). All articles are free to read and download from IOPScience (<http://iopscience.iop.org/1742-6596>), in perpetuity and are indexed in databases including: Scopus, EI Compendex and Inspec and the Conference Proceedings Citation Index.

 Proceedings services for science

Home About Us Services Authors Organizers Readers IOPscience Partners Search

Release your conference proceedings to a wider audience

Reasons to choose IOP Conference Series:

- **Flexible:** We can accommodate every type of event
- **Efficient:** Simple and streamlined publishing workflow
- **Rapid:** Your proceedings will be published online within four to six weeks
- **High quality:** We are recognized for the high quality of our work
- **Open access:** All articles are free to read and free to download

The open access IOP Conference Series provides a fast, versatile and cost-effective proceedings publication service for your conference. Key publishing subject areas include: physics, materials science, environmental sciences, biosciences, engineering, computational science and mathematics.
